Custom House is a global company with its corporate headquarters in Victoria BC. We receive daily requests to assist in sponsorship opportunities around the world.

Custom House is an active participant in a number of local, national and international cultural, sporting and community initiatives.

Although we recognize each fundraising event as unique and important, we are sure that you can appreciate that we are unable to fulfill every request that we receive. As such, our giving initiatives are a combination of proactive health, education and community business support.

We have provided you with an application form to assist in defining whether or not your organization meets with our corporate giving objectives. Please fill out the attached application form and mail back to the address listed below.

On behalf of Custom House we wish you all the best for a very successful fundraising event!
